

Medicine & Science in Sports & Exercise—Reviewers 2009

The review process of all peer-reviewed research journals is dependent on the voluntary service of those choosing to participate. The *MSSE*® Editor-in-Chief, Associate Editors, and Editorial Office appreciate the efforts of the reviewers listed. These individuals served as reviewers for manuscripts reaching final decision for the one-year period ending September 30, 2009. Individuals reviewing multiple papers are indicated in **boldface**.
