Tip 3: Ensuring you receive alerts

If you previously received alerts from any of the journals, you were signed up to continue receiving them. The "FROM" email address did change. To ensure you do not miss an Issue or Published Ahead of Print (PAP) Alert, add these two email addresses to your safe senders list:

- FROM: Lippincott Journals eTOC, email@lww.com
- FROM: Latest Articles - Alert ASN, Lippincott@wolterskluwer.com
- The IP address is 192.28.150.152. You may need to have your IT department whitelist this address.
