CARDIOPULMONARY PHYSICAL THERAPY is the official journal of the Academy of Cardiovascular & Pulmonary Physical Therapy. Manuscripts and other works submitted for review and publication should contribute to the science and practice of physical therapy as they relate to cardiopulmonary rehabilitation or medicine. A primary purpose of the Journal is to present responsible, reliable, and up-to-date information that is of significant scientific and/or clinical value in the fields of cardiac and pulmonary evaluation and rehabilitation.

For all general questions, letters, and all authors and reviewers, contact [Alvaro Gurevich](mailto:Alvaro_Gurevich). For subscription information and member access questions, contact [cardiopt@aaptcpv.org](mailto:cardiopt@aaptcpv.org)

**GENERAL INFORMATION**

The Editor reserves the right to return, without review, any manuscript that does not meet Journal criteria. All materials accepted for review are privileged communications. Author identity is blinded from reviewers and all correspondence is sent to the first author named on the manuscript, unless otherwise requested.

Articles are received with the understanding that the manuscript is an original work that has not been previously published, nor is it under consideration by another publication. Manuscripts should be submitted in triplicate and should be addressed to the Editor:
