

DISEASES  
OF THE  
COLON &  
RECTUM

**CURRENT STATUS REVIEWS**

**Karim Alavi, MD, MPH**

Section Editor, Current Status Reviews

*Diseases of the Colon and Rectum*

## Author Inquiries Welcome for Current Status Reviews!

Prospective authors interested in submitting a systematic review or meta-analysis manuscript have the option of submitting a detailed outline of the proposed article. Please follow the steps below to inquire. **First, Review the UPDATED Instructions for Authors for Current Status Reviews.**

Step 1

Outline the proposed article.

Step 2

Summarize the extent and quality of the literature supporting the proposed review.

Step 3

Summarize the search strategy and methods.

Step 4

Draft an email with the following content:

→ Subject line of email is to be

*A Proposal for DCR Current Status Reviews*

→ Include in the email a statement regarding your results of PROSPERO search.

**NOTE:** *All authors intending to submit a systematic review with or without a meta-analysis should perform a search of PROSPERO (<https://www.crd.york.ac.uk/prospero/>) to ensure that a similar work is not currently planned and/or in progress. If similar work is not identified, then the systematic review must be registered on PROSPERO prior to submission to DCR.*

Step 5

Send the email to [dcrjournalmanagingeditor@gmail.com](mailto:dcrjournalmanagingeditor@gmail.com).

**NOTE:** Be sure to include all 4 steps described above.
