

In celebration of the 40<sup>th</sup> anniversary of the [European Journal of Anaesthesiology](#) (the official Journal of the [European Society of Anaesthesiology and Intensive Care](#)), we are pleased to recommend our top 40 articles published in the journal from the past 10 years. Click on the article titles below to view and download this FREE content.

[European Society of Anaesthesiology evidence-based and consensus-based guideline on postoperative delirium](#)

Aldecoa C, Bettelli G, Bilotta F, et al  
European Journal of Anaesthesiology 2017;  
34: 192-214

[European Society of Anaesthesiology and European Board of Anaesthesiology guidelines for procedural sedation and analgesia in adults](#)

Hinkelbein J, Lamperti M, Akeson J, et al  
European Journal of Anaesthesiology 2018;  
35: 6-24

[Pre-operative evaluation of adults undergoing elective noncardiac surgery: Updated guideline from the European Society of Anaesthesiology](#)

De Hert S, Staender S, Fritsch G, et al  
European Journal of Anaesthesiology 2018;  
35: 407-465

[Management of severe perioperative bleeding: Guidelines from the European Society of Anaesthesiology](#)

Kozek-Langenecker SA, Afshari A, Albaladejo P, et al  
European Journal of Anaesthesiology 2013;  
30: 270-382

[2014 ESC/ESA Guidelines on non-cardiac surgery: cardiovascular assessment and management. The Joint Task Force on non-cardiac surgery: cardiovascular assessment and management of the European Society of Cardiology \(ESC\) and the European Society of Anaesthesiology \(ESA\)](#)

Kristensen SD, Knuuti J, Saraste A, et al  
European Journal of Anaesthesiology 2014;  
31: 517-573

[Epidemiology, practice of ventilation and outcome for patients at increased risk of postoperative pulmonary complications: LAS VEGAS - an observational study in 29 countries](#)

Hemmes SNT, Neto AS, Binnekade JM, et al  
European Journal of Anaesthesiology 2017;  
34: 492-507

[Standards for definitions and use of outcome measures for clinical effectiveness research in perioperative medicine: European Perioperative Clinical Outcome \(EPCO\) definitions. A statement from the ESA-ESICM joint taskforce on perioperative outcome measures](#)

Jammer I, Wickboldt N, Sander M, et al  
European Journal of Anaesthesiology 2015;  
32: 88-105

[European Society of Anaesthesiology and Intensive Care Guidelines on perioperative use of ultrasound for regional anaesthesia \(PERSEUS regional anaesthesia\): Peripheral nerves blocks and neuraxial anaesthesia](#)

Boselli E, Hopkins P, Lamperti M, et al  
European Journal of Anaesthesiology 2021;  
38: 219-250

[Pre-operative fasting in children: A guideline from the European Society of Anaesthesiology and Intensive Care](#)

Frykholm P, Disma N, Andersson H, et al  
European Journal of Anaesthesiology 2022;  
39: 4-25

[Comparison of hydroxyethyl starch colloids with crystalloids for surgical patients: A systematic review and meta-analysis](#)

Raiman M, Mitchell CG, Biccard BM, Rodseth RN  
European Journal of Anaesthesiology 2016;  
33: 42-48

[Does goal-directed haemodynamic and fluid therapy improve peri-operative outcomes? A systematic review and meta-analysis](#)

Chong MA, Wang Y, Berbenetz NM, McConachie I  
European Journal of Anaesthesiology 2018;  
35: 469-483

[Management of severe perioperative bleeding: guidelines from the European Society of Anaesthesiology. First update 2016](#)

Kozek-Langenecker SA, Ahmed AB, Afshari A, et al  
European Journal of Anaesthesiology 2017;  
34: 332-395

[Prehabilitation before major intra-abdominal cancer surgery: A systematic review of randomised controlled trials](#)

Thomas G, Tahir MR, Bongers BC, et al  
European Journal of Anaesthesiology 2019;  
36: 933-945

[PREPARE: the prevalence of perioperative anaemia and need for patient blood management in elective orthopaedic surgery: A multicentre, observational study](#)

Lasocki S, Krauspe R, von Heymann C, et al  
European Journal of Anaesthesiology 2015;  
32: 160-167

[Chronic postsurgical pain in Europe: An observational study](#)

Fletcher D, Stamer UM, Pogatzki-Zahn E, et al  
European Journal of Anaesthesiology 2015;  
32: 725-734

[Current issues in postoperative pain management](#)

Rawal N  
European Journal of Anaesthesiology 2016;  
33: 160-171

[Peri-interventional outcome study in the elderly in Europe: A 30-day prospective cohort study](#)

Coburn M, POSE Study Group  
European Journal of Anaesthesiology 2022;  
39: 198-209

[Quadratus lumborum block for postoperative pain after caesarean section: A randomised controlled trial](#)

Blanco R, Ansari T, Girgis E  
European Journal of Anaesthesiology 2015;  
32: 812-818

[Regional anaesthesia in patients on antithrombotic drugs: Joint ESAIC/ESRA guidelines](#)

Kietaibl S, Ferrandis R, Godier A, et al  
European Journal of Anaesthesiology 2022;  
39: 100-132

[Development and validation of a score to predict postoperative respiratory failure in a multicentre European cohort: A prospective, observational study](#)

Canet J, Sabate S, Mazo V, et al  
European Journal of Anaesthesiology 2015;  
32: 458-470

[European Society of Anaesthesiology guidelines on peri-operative use of ultrasound-guided for vascular access \(PERSEUS vascular access\)](#)

Lamperti M, Biasucci DG, Disma N, et al  
European Journal of Anaesthesiology 2020;  
37: 344-376

[The effect of deep vs. awake extubation on respiratory complications in high-risk children undergoing adenotonsillectomy: A randomised controlled trial](#)

von Ungern-Sternberg BS, Davies K, Hegarty M, et al  
European Journal of Anaesthesiology 2013;  
30: 529-536

[Postoperative handover: characteristics and considerations on improvement. A systematic review](#)

Moller TP, Madsen MD, Fuhrmann L, Ostergaard D  
European Journal of Anaesthesiology 2013;  
30: 229-242

[The efficacy of local infiltration analgesia in the early postoperative period after total knee arthroplasty: A systematic review and meta-analysis](#)

Seangleulur A, Vanasbodeekul P, Prapai-trakool S, et al  
European Journal of Anaesthesiology 2016;  
33: 816-831

[The half-life of infusion fluids: An educational review](#)

Hahn RG, Lyons G  
European Journal of Anaesthesiology 2016;  
33: 475-482

[Virtual reality exposure before elective day care surgery to reduce anxiety and pain in children: A randomised controlled trial](#)

Eijlers R, Dierckx B, Staals LM, et al  
European Journal of Anaesthesiology 2019;  
36: 728-737

[Combination of dexamethasone and local anaesthetic solution in peripheral nerve blocks: A meta-analysis of randomised controlled trials](#)

Huynh TM, Marret E, Bonnet F  
European Journal of Anaesthesiology  
2015; 32: 751-758

[Impact of pectoral nerve block on post-operative pain and quality of recovery in patients undergoing breast cancer surgery: A randomised controlled trial](#)

Kamiya Y, Hasegawa M, Yoshida T, et al  
European Journal of Anaesthesiology  
2018; 35: 215-223

[Predictors of patient satisfaction with anaesthesia and surgery care: a cohort study using the Postoperative Quality of Recovery Scale](#)

Roysse CF, Chung F, Newman S, et al  
European Journal of Anaesthesiology  
2013; 30: 106-110

[Protective ventilation during anaesthesia reduces major postoperative complications after lung cancer surgery: A double-blind randomised controlled trial](#)

Marret E, Cinotti R, Berard L, et al  
European Journal of Anaesthesiology  
2018; 35: 727-735

[Sevoflurane, but not propofol, reduces the lung inflammatory response and improves oxygenation in an acute respiratory distress syndrome model: A randomised laboratory study](#)

Ferrando C, Aguilar G, Piqueras L, et al  
European Journal of Anaesthesiology  
2013; 30: 455-463

[European guidelines on perioperative venous thromboembolism prophylaxis: Intensive care](#)

Duranteau J, Taccone FS, Verhamme P, Ageno W  
European Journal of Anaesthesiology  
2018; 35: 142-146

[The paediatric airway: Basic principles and current developments](#)

Schmidt AR, Weiss M, Engelhardt T  
European Journal of Anaesthesiology  
2014; 31: 293-299

[Ultrasound-guided transversus abdominis plane block in children: A randomised comparison with wound infiltration](#)

Sahin L, Sahin M, Gul R et al  
European Journal of Anaesthesiology 2013;  
30: 409-414

[Videolaryngoscopy vs. Direct Laryngoscopy for Elective Airway Management in Paediatric Anaesthesia: A prospective randomised controlled trial](#)

Klabusayova E, Klucka J, Kosinova M, et al  
European Journal of Anaesthesiology 2021;  
38: 1187-1193

[Comparison of efficacy and safety of lateral-to-medial continuous transversus abdominis plane block with thoracic epidural analgesia in patients undergoing abdominal surgery: A randomised, open-label feasibility study](#)

Ganapathy S, Sondekoppam RV, Terlecki M, et al  
European Journal of Anaesthesiology 2015;  
32: 797-804

[Deep neuromuscular block improves surgical conditions during laparoscopic hysterectomy: A randomised controlled trial](#)

Dubois PE, Putz L, Jamart J, et al  
European Journal of Anaesthesiology 2014;  
31: 430-436

[Dexmedetomidine added to an opioid-based analgesic regimen for the prevention of post-operative nausea and vomiting in highly susceptible patients: A randomised controlled trial](#)

Song Y, Shim JK, Song JW, et al  
European Journal of Anaesthesiology 2016;  
33: 75-83

[Ipsilateral hemidiaphragmatic paresis after a supraclavicular and costoclavicular brachial plexus block: A randomised observer blinded study](#)

Sivashanmugam T, Maurya I, Kumar N, Karmakar MK  
European Journal of Anaesthesiology 2019;  
36: 787-795

[Local anaesthetics: 10 essentials](#)

Lirk P, Picardi S, Hollmann MW  
European Journal of Anaesthesiology 2014;  
31: 575-585

Visit the journal online at [www.ejanaesthesiology.com](http://www.ejanaesthesiology.com)

The *European Journal of Anaesthesiology* specialises in expert rapid review and publishes original work of high scientific quality in all areas of anaesthesia, intensive care, perioperative medicine, pain medicine, and critical emergency care. Preference is given to clinical studies and laboratory work of clinical relevance. The journal also publishes experimental and technological studies, papers related to education and training, and commissioned narrative reviews. Short scientific reports are encouraged for publication in the journal. Clinical cases will not be considered unless they are exceptional cases with unusual case management. Editorials, commissioned commentaries, and book reviews are also included.

The *EJA* provides a platform for the worldwide dissemination of research in the field of anaesthesia and intensive care medicine. The journal focuses on pre-clinical, practical, and clinical aspects of care. Our publication output highlights our value in high levels original scientific research and emphasis on recommendations, guidelines, clinical advice, and basic research.

Submit your high-quality research at [www.editorialmanager.com/eja](http://www.editorialmanager.com/eja)
