

Call for papers for special HemaSphere issue:

CAR T cells: hype and hope

Following the launch of the [EHA Topics-In-Focus Immunotherapy](#), [HemaSphere](#) welcomes submissions of articles to be included in a special issue titled “CAR T cells: hype and hope”. This special issue will focus on the latest developments in the field of CAR T cell therapy.

Submit your manuscript by December 15, 2018 and have your research highlighted in this special issue. We welcome the submission of research articles, letters, and case reports on all aspects related to CAR T cell therapy. All submitted manuscripts will undergo external peer review. For instructions on submitting a manuscript, [visit this page](#).

Submit your manuscript directly and mention in your cover letter that your article is meant for the special issue.
