

# International Journal of Evidence-Based Healthcare

## CALL FOR PAPERS

The *International Journal of Evidence-Based Healthcare* invites high-quality articles focusing on the following areas for submission:

- **Palliative care**
- **Mental health**
- **Medication safety**

The journal welcome submissions from authors seeking to publish in the above areas.

Indexed in MEDLINE (PubMed) and the Science Citation Index (Web of Science), the *International Journal of Evidence-Based Healthcare* publishes manuscripts relating to evidence-based medicine and practice, which contain reliable evidence to assist health professionals in their decision-making and to inform health professionals, students and researchers of outcomes, debates and developments in evidence-based medicine and healthcare.

The journal accepts original research that uses quantitative, qualitative and mixed methods which explore the meaning, impact, cause, course, assessment, prevention, treatment and outcomes or economics of health problems relevant to clinical practice. Methodology papers that report on innovative methods of conducting and presenting primary research are also considered.

Articles should be submitted online at [www.editorialmanager.com/ijebh](http://www.editorialmanager.com/ijebh).

### Editorial Manager Users

#### First Time Users

1. Click **REGISTER** and enter the requested information
2. Remember to complete your Areas of Interest or Expertise/Edit Personal Keywords
3. Upon successful registration, you will be sent an email with your username and password.

#### Returning Users

You don't need to register again. If you have forgotten your username or password, click '**Forgot your Password?**' and we will send you an email with your login information.
