

Peer Reviewers 2017–2018

The *International Journal of Evidence-Based Healthcare* would like to thank the many excellent reviewers who have contributed their time and expertise from 2017 to 2018. The Editor acknowledges, with great appreciation, the contribution of the following individuals who have reviewed manuscripts over the past three years. Their involvement in the peer-review process has contributed significantly to the quality of this journal.

Suhail Doi, *Australian National University, Australia*
