Peer Reviewers 2014–2016

The International Journal of Evidence-Based Healthcare would like to thank the many excellent reviewers who have contributed their time and expertise from 2014 to 2016. The Editor acknowledges, with great appreciation, the contribution of the following individuals who have reviewed manuscripts over the past three years. Their involvement in the peer-review process has contributed significantly to the quality of this journal.

Suhail Doi, Australian National University, Canberra, Australia
Cheryl Holly, Rutgers University, Newark, New Jersey, USA
