

Association for Nursing Professional Development

# Who are our members? Should you be one?

ANPD members are responsible for orientation/onboarding, competency management, education, role development, collaborative partnerships, and research/evidence-based practice/quality improvement.

# 4,000

Our 4,000+ members are RNs who influence professional role competence and professional growth of learners in a variety of settings. They support lifelong learners in an interprofessional environment for the healthcare team.

## Membership Benefits
