Advice from the Editors: Nephrology

Nephrology Section Editor:
Dominik Steubl, MD
Technical University Munich
Germany

What content is *Medicine®* looking for in the area of nephrology?

“In the area of nephrology, *Medicine®* focuses mainly on clinical research contributing to the field of diagnosing and monitoring kidney disease, prognosis of disease progression and emerging treatment options. In case you consider publishing your work in *Medicine®* but are unsure about the fit, reach out to the Editorial Board to discuss whether your work might be suitable for publication in our Journal.”

What advice would you give to researchers looking to publish their work in *Medicine®*?

“For the first-time authors, I’d say:
• Define realistic aims on how and where to publish.
• Choose journals that offer a user-friendly submission process and that have a quick review turnaround—such as *Medicine®*.
• Inform yourself about the focus, aims, and specific areas of interest of individual journals. Where does my article fit?
• If in doubt, reach out to the editorial office or editors to clarify questions.”

Impact Factor*: 1.817
