Advice from the Editors: Surgery

Surgery Section Co-Editor:
Wen-Wei Sung, MD, PhD
Chung Shan Medical University
Taiwan

What content is Medicine® looking for in the area of surgery?
“We are looking for original articles about all surgical topics with technical, scientific, and ethical validity. Studies with clinical trials and real-world data are especially welcome.”

What advice would you give to researchers looking to publish their work in Medicine®?
“Medicine® is an ideal journal for new researchers to publish their first manuscript. It is more possible to get through the review process with a manuscript showing clear results, logical writing, and a reasonable study design.”

Impact Factor*: 1.889
