SPECIAL ISSUE: PREPARING NURSES OF THE FUTURE

Nursing Education Perspectives (NEP) invites manuscripts for a special issue focusing on preparing nurses of the future, consistent with the Institute of Medicine's 2010-2011 report, *The Future of Nursing: Leading Change, Advancing Health*.

Preference for feature articles will be given to data-based manuscripts involving multiple institutions and clinical agencies. Submission of unique process manuscripts from statewide consortia of *The Future of Nursing: Campaign for Action* are highly encouraged. Submissions of original feature articles should not exceed 20 double-spaced pages including references. Research briefs and Innovation Center manuscripts focused on preparing nurses of the future and consistent with NEP guidelines, will also be considered. Full guidelines for submission can be found at: <http://edmgr.ovid.com/nep/accounts/ifauth.htm>.

All manuscripts must be submitted online via Editorial Manager at <http://www.editorialmanager.com/nep>. Please request consideration for IOM Special Issue in your cover letter and select "The Future of Nursing – Special Issue" under article type.

Deadline for submission of manuscripts for this special issue is **January 15, 2017**.
