

REGISTER YOUR SYSTEMATIC REVIEW OR META-ANALYSIS

Prospective registration of systematic reviews and meta-analysis reports is **recommended**. The recommendation does not apply to integrative Biology Reviews. Registration sites for systematic review and meta-analysis are:

PROSPERO

www.crd.york.ac.uk/prospero

Cochrane Collaboration

<http://www.cochrane.org/cochrane-reviews/registering-titles>

Include the registry and trial number in the letter to the editor uploaded with your original submission. For questions, please contact the Susan J. Henly, Editor henly003@umn.edu
